Subject: **Mandatory Mass Mock Evaluation of On-Screen Marking (OSM) scheduled on 26 February 2026**

Madam/Sir,

The Board has provided a facility for live practice sessions of Digital Evaluation Systemwith the objective of familiarizing teachers of Classes XI and XII with it.

Purposes of the sessions organized:-

a. to ensure that all teachers have logged in and to keep their login credentials saved for using the same for actual evaluation.
b. to provide teachers with first-hand experience of the system and,
c. to refine and enhance the platform based on feedback received from evaluators across all affiliated schools.

Based on feedback received by the CBSE, Digital Evaluation platform was modified for smoother functioning and to make it more user-friendly.

Provision of Principal's Dashboard:-

1. As some teachers have wrong data in the OASIS, facility to correct the same was made available so that they can be provided login credentials.
2. Principals were given monitoring Dashboard with a view to monitor that how many of their teachers have logged in to the OSM system and also how many have evaluated answer books on OSM system.
3. In the Principal's Dashboard, facility to send login credential TO THE TEACHERS was also provided.

Final Testing of the Digital Evaluation System:-

The schedule for actual subject-wise evaluation will be communicated soon. However, prior to the commencement of the actual evaluation process, the Board has decided to conduct a **MASS MOCK EVALUATION** to ensure smooth login process and adequate load testing of the system. This willalso ensure that all teachers are fully conversant and well-versed with the digital evaluation process before the formal evaluation begins.

What is to be done by the teachers?

- It is mandatory to login during allotted timeand from their school only. When time is over, please do not work on the system. This is basically to check that how much load system could take so that needful updation be done.
- All teachers of Classes XI and XII must log inon system compulsorily during the specified time allotted to them and evaluate one answer book.
- Teachers should carefully note any issues or difficulties faced during the mock test, if any, and report the same to their Principals.
- Principal will compile issues received from teachers, if any, and provide the same to the Board on mail id osm@cbseshiksha.in
- Principals must issue appropriate directions to their teachers so that all teachers could ensure their participation in this exercise.

Your cooperation will help the Board in carrying Digital Evaluation Exercise an enriching experience and a big success.

Yours faithfully,

(Dr. Sanyam Bhardwaj)
